

About Central Berkshire Habitat for Humanity

Habitat for Humanity International, a nonprofit ecumenical Christian housing ministry, works in partnership with people in need to improve the conditions in which they live. Habitat partners are at work in all 50 states, and more than 60 nations worldwide. Habitat challenges people of compassion to provide funding, through donations of money and materials, to build or renovate simple, decent houses for the inadequately sheltered. Houses are sold at no profit, with no-interest mortgages repaid over a 20-30 year period. House payment reinvested to help build more houses.

For CBHFH to continue to build decent houses with families in need, we rely on the time, talent and treasure of the community. CBHFH is made possible by tax deductible donations of money and materials from business and individuals. We use volunteer labor and management expertise in our projects and administration.
