

PLEASE JOIN US FOR COMMUNITY CARE DAY

On Wednesday, September 15th the community will have the opportunity to **LIVE UNITED** as volunteers from all walks of life come together for Berkshire United Way's Community Care Day. Our goal is to demonstrate the true spirit of a caring community by mobilizing more than 100 individuals to donate their time and talent for a day of community improvement.

Central Berkshire Habitat for Humanity has been selected as this year's partner agency and this year's project will include Habitat's newest construction project at 94 Lincoln Street and the surrounding neighborhood.

Volunteers will have the opportunity to participate in a variety of tasks including painting, light carpentry, landscaping, sweeping, raking and general neighborhood clean-up. Community Care Day will kick-off at 8:30 AM with a community rally (location TBA soon) and will conclude at 3:30 PM. Lunch will be provided.

We hope you will consider supporting this community improvement initiative. Registration is simple. Just contact Maryanne Boenitz at mboenitz@berkshireunitedway.org or 442-6948, ext. 16, indicating your interest to participate and preferred project focus (light carpentry, painting, landscaping, general neighborhood clean-up). Location information for the kick-off rally and assigned locations will be forwarded as we get closer to the event date.

Thank you for considering this opportunity and for all you do to support Berkshire United Way.
